The Lady:

Gorgoeous Swedish Blonde! A real Babe! A great body and a great pair of tits! Dressed in a little baby doll see through negligee! WOW! Compares and outshines (can I say that?) even Dawn!

The Story:

Prices - ?60 sex and covered oral, ?10 extra for revere oral, ?10 extra for kissing and ?30 extra for anal. VFM! Well, the accent got me. When he returned to the room after I had paid the money... I had a hard on already! She has lovely breasts which I sucked with great delight! She does all services except OWO and CIM. I had a great session licking her pussy. I loved the way she kept forcing my head into her! She then gave me a very expert BJ which nearly had me cumming. We finished off Doggy style and it was a joy watching her in the mirrors and hearing her moan! I'll be back soon!
