The Premises:

Very pleasant clean flat in a posh area and safe off road parking whilst being entertained

The Lady:

Extremely attractive Lady with long blonde hair,busty but not too big and wonderful cleavage. She has a very nice smile and an engaging personality which is never very far away from laughter.She wore a little black dress which showed her legs off to perfection.

The Story:

After the greeting we sat in the sitting room to get to know each other. I was totally bewitched and began kissing her there and then. We moved into the Bedroom in a kind of love haze and the real world slipped away.Race Memory took over, thank goodness, because I was completely lost in the most delightful way.After some time it all ended in a most satisfactory fashion and Sacha made us both a cup of tea.The real world intruded again, business called, and I had to leave. This was probably a good thing since I doubt if supply could have met demand for the second time in a row.She is simply a real treasure.Look after her carefully!
