The Lady:

Nadia is a petite Indian lady from London. Very firm body small but lovely breasts and a fantastic arse. Quite pretty, very bubbly and enthusiastic. Lots of energy

The Story:

After calling in the morning to confirm Nadia was working (although website is updated daily) I found flat easily and was met by Nadia at the door. Nice to be remembered from my first. Isit one month before, so off to a freindly start. My only slight grumble is the wait after sorting out the bussiness. On both occasions she seems to be gone for firm e minutes while I was left waiting. However as soon as she was back she was flirty and sexy and doing all the right things to get me going. After sitting on me knee in her skimpies she was soon rubbing and getting naked.

We spent tune next hour with oral and 69 which she made all the right noises and moves for. She does get very wet which is great. Then her on top and me trying to steady the pace so I could last out. She did a great manouver to show me her pink and even got off to mo e the mirror for me Roget a good veiw.

In the end I had to turn her over and finished hard on the edge of the bed. Great to have a petite girl you can move around(with care)

After a brief pause she offered a massage but we ended up just chatting till it was time to dean up. All round good punt.
