The Premises:

Much reported on: once a user of that lift, never forgotten! I was given my favourite room here - one of the two larger ones - so there was plenty of room to play around in.

The Lady:

Donna is Spanish, and had just returned from a two-month break in her homeland. She is slim, young, with long dark hair, and is very sexy. Chanelle is English, blonde, and with the most amazingly long legs. They both have good bodies, and are both keen to please.

The Story:

A really good session: having paid the extra ?10 each for OWO, as ever here, they both used their mouths and lips very sexily, and they were both shagged in a variety of positions, including a knee-trembler with Chanelle (remember the long legs) - which, at my age, I felt was a real, and most enjoyable, achievement. However, my legs were indeed wobbling at the end, i.e., after I'd shot a good load over their four tits. These are really good (naughty) girls, fellow-punters, as are all the WGs here. However, Madame Sam, I reckon that one or two fresh ones would not go amiss: a bit of regular new blood does wonders for a stable.
