The Premises:

a rather run down flat just off the A3. Very easy to find. Warm ? friendly enough.

The Lady:

Amber was my first 'curvy' escort. Which means ? in my book ? chubby. She is hard to pin down ? I reckon she's from the Indian sub continent, but the madam said she was Spanish?

The Story:

I reckon amber is what's known in the business as a 'bit of a slapper', as opposed to these gorgeous 21 year old 'GFE's' i've spent time with of late. This means she swallowed my cock right to the hilt with gusto, sucked my sweaty balls like they were covered in chocolate, and emitted all sorts of dirty noises as I shagged her frenetically from behind and spunked all over her saggy little tits. All for ?50. Great. Shan't go back though. I like 'em pert and skinny. And the right side of 30. This might be a bit harsh on Amber, who could well be younger. she was very friendly, and very professional.
