### The Story:

Arrived more or less on time and after a brief chat we got sorted and she popped into the bathroom to get changed. When she came out in high heels and lingerie I went instantly hard and then the fun started. Let her do some work first and soon wanted the condom on so I could shag her senseless. Let her start on top as she was so pretty and wanted to see it all working. Then onto her back to finish off with her legs up and over my shoulders. Lovely girl and great fun.
