The Story:

I picked Caroline over Alexa who I saw a while back.

In two minds on my views on this lady. Started brilliantly, nice massage, turned me over for nice kissing and feel & suck of her boobs. Great OW (in fact VERY GOOD!) but the sex in several positions was very unresponsive. She looked really bored and made no effort which was a bit of an anti climax. In missionary she kept her legs in a position where deep penetration wasn't possible and she only ever became responsive if she thought I was going to cum.

Afterwards she was quite blasé and I got the impression she was taking the piss a little with some of the things she said. I would recommend her, she's very pretty and is a great kisser and sucks cock well but the sex was a real let down.
