### The Lady:

great looking young girl I was eager to explore.

### The Story:

She arrived punctually and looked fantastic. Lovely accent and seemed up for it. Offered a drink and opened the bottle when she said yes. Things moved on nicely after that and once she was in high heels and stockings and nothing else I was in heaven. She delivered the goodies as advertised and her bj was just great. Had her sit on the end of the bed and then pushed her back and gave a real good licking till she came. Then shagged her till I came. Wonderful girl and a lovely experience.
