### The Premises:

a reconditioned flat just 1 minute from the tube. Busy area so not obvious and perfectly safe. Inside was in excellent condition, good vibe in the room and a massage table.

### The Lady:

Nicole was new and a young girl, nice figure and succulent breasts, Doretta a touch older (mid 20's?) and tall thin with small breasts. Both very pleasant and amenable, talk at right time and made sure that I was happy with things and made myself comfortable.

### The Story:

A fabulous 2 girl topless massage, a proper massage with plenty of kissing, touching and felt when relaxed when finished with a hand job. It was a top rate experience.

It was a busy place and there were other very pretty ladies around - a definite "must be visited" place with great facilities.
