The Lady:

Carmen has lovely long blonde silky hair which for my visit was beautifully clean and smelled freshly washed. Her body is finely toned, no sags anywhere yet smooth and soft to the touch - I guess she works out!

Nice neat pussy and lovely shapely nips.

The Story:

Carmen greeted me in a demure way but soon warmed up and red hot, and dripping, by the time we got our kit off.

She gave enthusiastic DFK with lots of tongue and didn't need to be asked to get stuck in with a mind-blowing owo. This girl is clearly determined to be best at what she does - lots of eye contact while licking and sucking around my balls and she worked her way up my shaft in the most tantalising way.

I returned the favour with a long session of DATY - and she tasted really good and was writhing and moaning to show her pleasure.

Then, after some further playing at the gateway I was ready to plumb her depths and she expertly applied the rubber with her mouth so I hardly knew it was happening. She went on top to start with and she was so wet I was soon bathed in her juices. We had a good few minutes of pumping in each position until, when taking her from behind with long thrusts I just couldn't hold on any more.

She was shuddering herself so she may have come also - we then lay a short time in each other's arms - she asked if I wanted to go again but this time (unusually for me) I just wanted to relax - I was completely sated and opted for the assisted shower which was wonderful also.

Overall excellent value and an excellent GFE experience, living up to the agency's name. Thankyou
