The Premises:

Studio flat in a "mansion" block very close to Hyde Park. Bright, airy, quite cool really.

The Lady:

Nicole's gorgeous. She has straight hair now not the wavy hair on the website, and is really beautiful. Great legs, lovely slim figure but curves in the right places. Lovely smile.

The Story:

When I arrived Nicole was very welcoming and friendly, dressed in some classy lingerie. She offered me a drink and I ended up having a mint tea - very civilised! We were chatting and joking, and I thought this was going to be one of those encounters which you enjoy because you're having sex with a beautiful woman, but where the girl isn't really into the sex as much as you might want.

How wrong I was. We headed up to the mezzanine level bedroom, and all of a sudden Nicole turned into an absolute nymphomaniac. Wow. Some very deep kissing - she is very good at kissing - before she dropped to her knees, stripped off my jeans and took me deep into her mouth for a fantastic blow job. She didn't mind at all as I started to move my hips and thrust into her mouth, and I practically ended up fucking her face as she knelt in front of me. We moved onto the bed and she continued to suck me off, lots of eye contact until I couldn't hold back and exploded in her mouth.

Nicole's turn next and I went down on her. She tasted lovely, and best of all she really seemed to enjoy this - either she's a fantastic actress or she really did have a shuddering orgasm. I think the latter because this turned her into even more of a nymph than she had been before. On with the condom and she told me she wanted me to "ragdoll" her - I'd never heard that expression before but I certainly enjoyed finding out what it meant, as Nicole begged me to fuck her hard and deep. Hands, arms and legs everywhere, deep kissing, wow.

After we came, We lay on the bed cuddled up and chatting. Nicole went to the bathroom, then called up to the bedroom to find out what I wanted to do next - of course I asked her to come back for round 3, and she bounded up the stairs eagerly and leapt back into bed for another fantastic shag, this time ending with her on top riding me for all she was worth.

Nicole was a complete sex bomb, and in between bedroom antics she was a lovely, happy, quirky girl to whom I could happily chat for hours. In short, a GFE, but like a horny girlfriend who you've only just met. Awesome.

I know this is a long FR but Nicole deserves it - I couldn't find a shorter way of expressing how good she is. Will I be back? I'm about to phone Max's now...
