The Lady:

Intelligent and beautiful, with a gorgeous body and a vibrant personality, she is also a cock-loving slut!

The Story:

Olina looked lovely when she greeted me at the door of her flat. She led me through to the bedroom, panted ?I want your cock? and immediately dropped to her knees, pulled my trousers down and started sucking on my dick with vigorous enthusiasm; I was fully erect in no time at all at which point Olina insisted that I hold her head and fuck her in her mouth, I could not refuse!

After this oral introduction we retreated to the bath where Olina gave my cock, balls and arse a thorough soaping before recommencing her nympho assault on me by burying her tongue in my bum and giving me a some delightful rimming. Bath-time over we resumed our sexual play on the bed where, after lots of sucking and licking from arse to glans, I shot my load into her willing mouth, holding her head by her hair, my cock buried deep as she made appreciative moaning noises, fantastic!

Olina then gave me an excellent massage for a while before ordering me to turn over so that she could fellate me once more and begin round two. This session also involved loads of sucking and licking and, once again, a shuddering climax into her pretty mouth.

Olina is friendly, gorgeous and provides a perfect dirty PSE. I didn?t get to fuck her this time as she was hungry to suck dick and I was in no way going to discourage her from this laudable desire, next time though?

See her, she?s brilliant!
