Early 20's, slim, auburn hair, smallish breasts nice bum, fit in both senses of the word

### The Story:

Sophie was very attentive and didn't leave me alone for ages as girls often do. Having gone through the menu, I opted for OWO to completion with sex. Sophie began with a really relaxing back massage which settled me down, then into OWO with some kissing and cuddling. She followed by cowgirl and then finally OWO until exploded into her face. She was very encouraging and positive throughout. A really lovely, uncomplicated girl who either loves her job or is a brilliant actor. One of the best punts I've had in ages, and certainly the best so far at this venue.

Would I go back? Can kangaroos hop?
