The Premises:

Big and clean flat, decent size room. Bed and sofa etc. Pretty standard.

The Lady:

Dark Hair, European lady. mid-late 20s. Quite pretty. not fat.

The Story:

The maid was fantastic. Very friendly and helpful. Unfortunately Natasha herself was terrible. Not intereted in the appointment at all. She told me off when I start to caress her. Apparently she doesn't like touching and only reserve that to her boyfriend! Her blow job is actually pretty good. One of the better cover blow job I had. The sex was decent, nothing to complain about. But her attitude was just terrible, look miserable throughout. She looked the happiest when I decided to leave.

Unlike Adele who I've seen in the same establishment, Natasha is exactly the kind of WG you want to aviod.
