The Lady:

Pretty blonde, slim with curves in all the right places. Great tits and ass.

The Story:

Shannon entered the room and was bubbly and chatty and put me at ease. We started with a massage and her sensual touch got me hard in no time. I turned over and Shannon began to massage my cock with her clit while french kissing me, which I found very sexy.

I was offered OWO and boy was it worth the extra ?10! She licked and sucked my cock to the point where I had to stop her and return the favour. Her pussy was sweet and moist and after fingering her had to slip my cock inside. After a few minutes of mish I asked her to turn over and did her doggy. As I was fingering her ass she came.

I then asked Shannon to get on her knees on the floor. She opened her mouth and stuck out her tongue kept eye contact with me as I chucked my load over her pretty face.

This is one sexy lady! Shannon, I'll be back!
