# The Premises:

Nice very secure area, although she told me she does not live there.

# The Lady:

Her face is similar to the one on the picture, although I think less attractive, her body a bit rounder.

# The Story:

Nice lady, very willing to please. Her kissing is passionate as well as her oral. She enjoys sex. I would not probably see her again mainly because I go for size 8 girls, but is you like a size 10 she is the one for you.
