The Premises:

Quiet market town and on high street via a discreet alleyway. Impressed with professionalism of receptionist and assistant who point out on the framed wall pictures who was on today and currently available. Great facilities with lockers, shower, sauna and tub. Even drinks and snacks with upstairs waiting room with TV and papers. Now this is a gentleman's club with quite a few punters about.

The Lady:

Taylor was the only masseur free and i was wondering 30 mins and increased to 45mins once i met her and observed her relaxed, soft speech and lovely blue eyes. About 5f 5in and well proportioned.

The Story:

This was a grin of a punt and she really is a lovely lass, eager to please and to give great feedback (always good for a man's ego). A lovely lass and we rode many a mile with changes in positions. I think we both felt the passion here. Kissing is extra (at least it is on the menu) and very worthwhile. I'm still smiling hours later.
