The Premises:

Nice clean spacious room in a decent, discreet area.

The Lady:

A tiny version of Penelope Cruz! Pamela is a very delicate, almost fragile beauty. She has a beautiful mane of dark black hair that hangs down over her back, and lovely inviting eyes. Exquisitely high cheek bones and flawless skin. She is very slender and small - that will appeal to some and not to others. I would say she is a cross between Penelope Cruz and Audrey Hepburn!

The Story:

As I embark upon my search for perfection, this is a very good place to start. I contrast this experience with other well-reviewed ladies (Kasumi and Aaricia, for example, whom I have yet to review, and who were both very satisfactory). Here, though, you have elegance, class and someone who is utterly committed to your pleasure as the client.

After a lovely opening glass of fizz, the experience was far more raunchy than I had expected when I first met this svelte, petite, lovely woman - and I figure there is much more to discover. A truly class act.
