### The Story:

my first punt in a few mths,kinda stepping back from this habit..and wasnt too sure about scorpios cause its been a hit or miss ,more miss in previous visits..

first time for me on a saturday too.

.this was a good expierence with her,some ball sucking and oral with a condom.ive given up hope in asking for owo as if they want to do it then they will just go down and suck without any hesitatuion.

onto some 69 with a nice tasting pussy and plenty moans and thrusts into my face

then onto some sex with her sitting on top with my legs over the edge of the cabin bed and fingering her ass

all in all a good short and exciting punt
