The Premises:

Clean, discreet 1st floor flat near Chancery lane tube. Felt very safe. Very impressed with the overall standard of the flat.

The Lady:

Stunning looking Indian lady in her twenties. Around 5ft 6" tall, very toned fit size 8 figure. Beautiful hair. 34D bust. Pictures on the website are genuine but do not do her any justice.

The Story:

This was my first visit to Indian Palace. I love Indian ladies and can never seem to find any where I live! I came across their website recently and was very impressed on the face of it. I actually wondered if the site was real as it advertised so many genuine Indian ladies and I have never seen a site like that in the uk before. I also came to know about Punternet through the link on their 'links' page. Where have I been??? Sara came in and introduced herself. We sorted out the money and she offered me a drink then asked to make myself comfortable and left the room. An amazing looking girl. So pretty. I watched her bum when she walked out the room. I was struck by her stunning looks the moment she walked in and I had a hard on by the time she walked back in. Sara gives very good oral and whispered the dirty talk in my ear. That was a nice surprise as you wouldn't think she had such a mouth on her by looking at that angelic face! I stroked her beautiful legs and bum while fucking her and looking at that angelic face. I can still remember it now! It didn't take me long to finish and I left over the moon. I wished I had booked for longer as Sara finished her shift at 11pm and we did go overtime. Her prices are very reasonable for someone in her league. She was sweet and sexy as hell throughout the service. It's a shame she does not do reverse oral. I don't mind the vanilla services as I understand and kind of agree with the health and hygiene policies at Indian Palace. I don't understand why the girls don't kiss though. I guess they are just trying to be safe. I'm going to sample some of the other ladies at Indian Palace. I wonder if anyone will blow my mind more than Sara has! I am impressed.
