The Premises:

My second visit to Indian Palace. Very clean, safe, discreet flat a few minutes walk from the tube. Easy to find

The Lady:

Curvy Indian lady in her twenties. Reasonably attractive. Around 5ft 4" in height. Small boobs. Website pics are accurate.

The Story:

Well, she did try but she has not got anything on Sara. Sorry Kaira. I don't want to be bad. Just honest. That is what Punternet is for! Well this is just my opinion of her. Mabey it won't be the same for everyone. I got a bit confused as to why Kaira charges the same amount as Sara. The only thing Kaira does that Sara does not do is reverse oral. That is why I stayed. I was going to walk out when I met Kaira. One thing I did not like about Kaira was the way she talked about the high prices and just continued to talk about the high prices. It made me feel a bit pressured. The ???20 extra was for the sari striptease. I asked her for the reverse oral when she said she did it for which I paid her ???10 extra on top of the ???140 hour. She did give me a nice massage and was very talkative throughout the whole service. If I was in a mood to just not say anything, i'm not sure how I would politely ask her to be quiet! Her legs were quite chunky. She would do well to loose a bit of weight considering the competition she is up against at Indian Palace. Sorry again Kaira! Just a bit of constructive criticism! Kaira did manage to get me hard, gave me a reasonably good covered blow job and I came fucking her doggy style. We finished before the time was up. I had a shower and left. This punt did the job. I should have spent less time with her. But that is just me. Kaira is a very friendly and enthauastic lady. She was just not my type and tries hard to get the maximum amount out of the customer.

Service Provider's Rebuttal

Kaira writes:

at indian palace our job is to make the punters happy.although in some cases its hard to do so.when anybody decides to stay in the premises i make sure i am friendly enough for the punter to feel comfortable with me.before i write my comment i would like to clear that in indian palace we never force the punter to stay or to pay extra money in the room unless they decide themselves.as this punter says i took 140 for 1 hour,20 for striptease and 10 for 69 so according to his point of view i should not charge like sara and i charged him more money.its him who decided to take those services and i also provided all the services that he paid for.before complaining he has to understand himself that i dont make the prices here.its the same price list for all ladies,and also comparing one lady with another is also a sign of rudeness.every one is different than the other.if i am not his type of girl then at first place he should not have stayed.i am a very bubbly girl with full of life.if he does not like bubbly girl and preffers someone more researve then i am really sorry coz for 1 person i really cannot change myself.with my jokes and talk i try my best to take away punters daily stress.if anyone who is not happy with that should share their feeling with me,so that i can provide them the enviromment they asked for.without sharing,communicating and understanding its really hard to have a good time.i believe by writing this comment i made myself clear.if there is anything that i have written and it looked offended to you,i really apologise for it.thank you for reading this comment. kaira
