The Lady:

Thought I would back fill on Laiza - I had wanted to see her for a while

First though she is nothing like her pics - I thought I was going to be introduced to some one else - Being honest she has piled on some weight since her pics and dont make a great deal of effort with appearance - but --

The Story:

I fucked Laiza hard for three cums and had a great time

First some snogging and bbbj and some rimming (I think she likes this) then with out much more in the way of prelims I fucked her and came on her tits / belly

The great thing about Laiza was her apparent enthusiam for sex. She was relaxed and seemed to love it - was encouraging - and apperared to cum about three times herself. After my first cum some more bbbj daty etc and then I had to feel that pussy on my cock again and I came inside in mish after some energetic cowgirl from L

A half decent massage and then L stroking my balls - I raised myself off the bed and she had my cock at 90 degrees and in her mouth again - Some pounding doggie followed with Laiza again telling me to keep going - later I came again in mish

Liaza is a great partner - is skilled - and though she looks little like her pics somehow she really got me going --
