The Premises:

A clean, modern first floor apartment in a new(ish) development close to the ICC / NIA. Plenty of on-street parking. Safe.

The Lady:

Shannon is a tall, very leggy beautiful blonde with an attractive slim figure and nice pert breasts. She was wearing a pink, fish net dress leaving little to the imagination and with her erect nipples poking through it was a big turn on.

The Story:

I was a little early getting to the flat but June, the friendly receptionist, led me to a waiting area and made me a nice cup of coffee. In no time at all, Shannon appeared and we went through to the room. Shannon immediately kissed me and we shared a few passionate moments deep french kissing. Indeed, I think that Shannon could probably snog for England!

We touched and explored each other's bodies before I licked her beautiful shaved pussy which I think that Shannon enjoyed before returning the favour with some exquisite oral on me. After some more full on kissing, Shannon slipped on the condom and rode me to an explosive conclusion.

In conclusion, a very enjoyable hour with a lady who clearly knows - and enjoys - what she is doing. Recommended.
