The Premises:

Terraced house on outskirts of Luton. Easy parking. Working class area. Have always felt safe when I have visited. Rooms are a bit spartan, but functional.

The Lady:

Typical of the horny brazilian babes that Christine has to offer. Slim, dd breasts, come to bed eyes, 5'4", oozing sex.

The Story:

As previously described, Kimberley is a full on experience. She massaged me while I lay on the bed face down. Then started licking and kissing me all over. Great cock and ball sucking, rimming and 2 fingers up my arse. RO and finger fucking for Kimberley. Then more OWO to completion, but not swallowed. Relaxing massage for about 10 minutes and then round 2, with more OWO, DFK and doggy. Ran out of time, so didn't get to cum twice. Need to come earlier first time, next time. Fucking fantastic!!
