The Premises:

Very tidy house. Good car parking with discreet entrance through garden. Not overlooked. Felt very safe in this area.

The Lady:

Not good with sizes, but this lady was about 5ft 6in. A very shapely figure with well rounded but firm breasts. Lovely hard nipples. Nice bum and good legs. Nice smile and attractive. A great package.

The Story:

I had requested a basque, no other underwear, hold-ups and heels. I was greeted at the door warmly with a long kiss and a big hug. I stood back and wow. Crystal had chosen a red basque with shiny black hold-ups and a pair of the highest black patent heels. Perfect start. I followed her upstairs to a warm comfortable bedroom. With the essential, a welcoming bed. Crystal kissed me again and I used the opportunity to release the basque so she was naked. She knelt in front of me and took my already erect penis in her mouth. I quickly came, and after cleaning me she lay me on the bed and sat on my face so I could pay attention to her wet pussy. She received this with what I hope was pleasure. I was once again erect and Crystal rode me cowboy fashion to another great climax. We lay and chatted about this and that during which I was able to admire her beautiful breasts close up and the rest of her great figure. A lovely friendly chatty sexy lady. No rush just a great punt. Take care Crystal. See you again soon. 'G' xx
