### The Premises:

Well established parlour that looks rather grotty from the outside but the flat is clean & pleasant inside. There is a side alley leading to a discreet entrance at the back. The flat is above a hairdresser. I felt safe.

### The Lady:

30ish about 5'5 with a nice full figure but not fat. She is pretty with blond hair & I believe is mixed Indian/Italian with lovely light brown skin that makes her look a bit Spanish.

### The Story:

Had not seen her for ages & after being shown to the bedroom by the maid Amber came in wearing very sexy PVC outfit & looked gorgeous. As I am a regular (well reasonably regular) she always lets me pay at the end which I think is a nice touch.

We started off with some passionate snogging which was very nice. We carressed each other & she helped me undress & we continued in this way just enjoying each others bodies for a while. I then asked her if I could suck her pussy & she said she really enjoyed that & judging by the writhing & moaning that was exactly the case & I think she came.

I then asked her to suck my cock which she did enthusiastically with eye contact. This was very enjoyable but I am sometimes quite sensitive down there & it was easier for me to finish by hand over her face & mouth which she was quite happy for me to do with some even going on her back.

Amber is a laid back, friendly girl with a lovely smile & I left feeling that although my world had not been set on fire I had had a nice unhurried GFE. She is like that sexy chick next door that you would really like to fuck. You could certainly do a lot worse.
