The Story:

as this was my second visit with kaira,soon as she walked into the bedroom she started to give me a nice body to body massage infront of the mirror and started to play dirty with me.her soft touch really turned me on like last time.she started to give me bj as i already prepared myself for intercourse.she said she loves giving bj.i must say its one of the best bj i ever had.she made me come while she was on top of me.after we finished that part my time was nearly over but still she offered me a massage which i could not manage coz i had to get back to kent so i was in a rush.thank you kaira for giving me a lovely time.and i am looking forward to see you again.
