The Premises:

Clean, neat and warm in a nice area. I felt perfectly safe at all times.

The Lady:

Julie is much better looking than her pictures (on another site) suggest. She is blonde, tall, slim and fit with beautiful soft skin and kissable lips. A little later I discovered that she also has a wonderful peachy bum.

The Story:

Julie met me at the station in her car. I ran up steps to the cash machine, card in slot, pressed buttons got money and then to the car park where Julie was waiting. Panic over!

Once in the car, breathed again and said Hi to a mature and sexy woman who immediately put me at ease and drove to her place, pleasant conversation on the way.

Immediately after closing her front door Julie took me by surprise with a long warm lingering kiss. Would i like a drink? Water please. Upstairs. I looked away as she changed her clothes - this adding to the excitement.

Then followed an hour of sex in several positions with a warm, experienced and generous lover. I cannot come with rubber on my cock, so Julie took me in her mouth. It was a memorable, shuddering come.

Would I recommend her?

Absolutely - she is one of the nicest people I know.
