The Story:

My first meeting with Olivia,have been trying for years to get together without any success till now.So many thanks to HoD for bringing Olivia to a convenient in call location,and to Honey who informed me that Olivia was in MK!

This was a memorable experience for me from beginning to end and one which I will be repeating until Olivia departs in the summer.

Had a great view of Olivia from behind as she showed me up to the room and we quickly dispensed with the financials before some kissing and groping.Onto the bed for a massage that included Olivia rubbing herself all over me and reaching beneath me to rub my cock and balls.More kissing & caressing before the rubber was on for quite the best OW I have ever experienced.A master class in the use of mouth & hands,on your cock and balls,to bring you to the edge.Olivia then mounted me and rode me cowgirl style.More kissing,caressing and chatting before Oliva lay back,spread her legs wide and welcomed my tongue into her pussy for a prolonged bout of oral.Olivia brought the old fella back to life with her wicked tongue and I just had to have her from behind,what a view. Not a PSE,Olivia provides a unique seductive,sensual,tantallising experience that I have not enjoyed anywhere else.
