The Premises:

A small studio flat on the first floor. Watch out for the light switch! A very dark staircase. Erica uses a bed for the massage. Clean sheets/towels, etc. Nice new-age music. All very relaxing.

The Lady:

Erica is about 5'2", size 10 (my guess - no stick insect but NOT fat!). A real "girl-next-door" type.

Streaked blond/brunette hair and a couple of tattoos (but not unsightly).

Erica carries out the massage in the nude. Nice bod; fully shaved. She speaks good English and is chatty when appropriate.

The Story:

Erica advertises a Tantric Massage, and delivers a pretty good medium/sensual massage. She is nude pretty well throughout and uses her body delicately to rub against yours.

Plenty of access to her breasts and pussy. Very pleasant experience all round.
