The Premises:

Very discrete flat in north Leeds very safe and close to the ring road. Spacious and clean inside with a decent shower facility.

The Lady:

Sexy curvy Lady with a pretty face and a nice attitude. Shoulder length blonde hair wears eye glasses that makes her look even sexier.

The Story:

Kissing from the start of the session our tongues were busy for the next 30 mins. This was a real GFE. This Lady really knows how to treat a man. The session was so relaxed that after the first round we were laughing like old friends and talked about football and rugby players legs. Absolutely fantastic punt. I can't wait to go back.
