### The Premises:

Didn't see much of the house beyond the stairs and the bedroom. Some houses a bit scruffy but not Helen's, which is a bit tricky to find. My car was fine though I parked with the window open by mistake!

### The Lady:

Helen is, as she says on her website, 40 years old. She is clearly a mother too. If this puts you off, then good, it leaves more chance for the rest of us, because Helen is, nonetheless, very attractive. She clearly takes good care of her shapely figure, and, more importantly, has the kind of sexiness that is about more than looks. I am not a big fan of older women normally, but Helen may well have converted me.

### The Story:

I received a warm welcome from an attractively dressed, and randy, Helen. There wasn't actually a blowjob in the hallway (see previous FRs), but I didn't have to wait long for some exquisite attention. Helen quite clearly loves oral, both given and received. She also loves to be fucked, and is wonderfully friendly and unshockable. I found myself wittering on within minutes, which isn't always my way, completely relaxed in her company. We also discussed, in deliberately pornographic detail, what we were going to do then, and in future appointments. Interested punters should not be put off by the idea that Helen won't see younger clients, or is permanently booked, or too good for them etc.

She asked my age when I booked - younger than most of her clients - but wasn't put off by it. I waited only a week to see her - over a Bank Holiday. Most importantly, I wish I'd seen her years ago. She would be a wonderful first time experience: Friendly, sexy and up for almost anything. My only quibble would be that an hour with her is not enough, and I would have liked the chance to enjoy more of her for the money. Then again, she is no clock-watcher, and gave me every possible encouragement. Oh I admit it: I'm greedy and I'm going back!
