The Story:

Well, I'd say Monica is probably the best punt in Bradford. She greeted me at the door in a short black dress. kissed me deeply and led me upstairs. Kissing me again she put one leg on the bed and guided my fingers to her wet cunt. She undressed me and I was soon licking her out on the bed before she rubbered me up and started sucking me. She then got on top and I came fairly quick. Kiss and a cuddle and was then up for round two. She is such a sexy lady wasimpossibly not to be rigid again and we fucked in every position before I wanked off over her lovely tits. Amazing! Really good PSE but she seems very versatile and it u want gentle and tender or a good thrashing you would probably get them. Only problem is getting in touch - availability is limited - but then good things are worth waiting for.
