The Premises:

Flat situated in the Mill Hill area near the football ground. Plenty of on-street safe parking and easy to find. The room she entertains in is presently being kitted out so things are a bit cramped at present

The Lady:

20 year old stunner who looks much better in the flesh than the photo's on her site. She has a great body with everything natural apart from the tan and the shaven sweet tasting pussy.

The Story:

Felt as it was the first time we had met we were both nervous and somewhat mechanical at the begining of the visit. My attempt at humour and lightening things up a bit didn't really work. However her oral skills were excellent and her other techniques are good. She also appeared to enjoy the reverse oral and the other gymnastics so overall it was a satisfying punt. I think next time we may be a bit more relaxed and therefore more spontaneous together.
