The Premises:

Clean basement flat between Olympia and Shepherds Bush. Nice area.

The Lady:

In her heels she was my height (6'2"). An amazonian fantasy come true with amazing enhanced boobs. Long blonde hair and fully shaven.

The Story:

I contacted Eve a few hours in advance and we swapped texts. She uses a sensible routine to weed out timewasters. Texts and a quick chat to direct me to the flat.

When she welcomed me, I was a tad overwhelmed by her amazonian stature so I started off a little nervously - she looked like the pictures on her domme site, but they can't convey height... Eve announced she was nervous too!

I undressed & showered - really nice bathroom. Then returned to the bedroom, both of us much more relaxed.

Eve asked me exactly what I wanted - and delivered with gusto. Breast smothering, kissing, schoolgirl pin, crushing my torso between her thighs - spot on and delivered with sexiness and humour. She's fit and strong enough to deliver divinely.

Eve then gave me deep enthusiastic covered oral, then mounted me in CG. She was very vocal and I came powerfully.

Eve chatted away amusingly, then in barely a couple of minutes I was hard again. It normally takes me ages to be ready for round two, but I found Eve really attractive and she definitely knew how to press the right buttons.

Round two started in mish, very energetic with Eve fondling my balls. We switched positions a few times, kissed, lots of noise (unusually for me) and then I came buckets. I'm pushing 40 and this is not a normal round 2 result for me! Eve is really good in the sack.

We talked some more, then I showered again and said goodbye.

It was a very enjoyable hour, and we really clicked.
