The Premises:

nice clean flat.not too far from the station.its based on the buzy street.

The Lady:

slim pretty indian girl with long dark hair.

The Story:

after we sorted out the buisness,the lady offered me a drink and left the room.she came back after a while and started to give me bj straight away and its seems like she is being forced to do so.i asked her if its ok if we have some converstion first.the lady was not friendly enough and was rushing me to finish my buisness.i believe pretty girl like her should learn how to treat her client.anyways i left the premises with dissapointment.
