The Story:

Rosie is a firecracker of a woman. Very friendly and passionate, she is new to this lark, full of enthusiasm and genuinely at ease with what she is doing. Quite busty, 36F, with a lovely bum she was very wet and seemed to enjoy the action. She liked me calling her randy rosie of rosehill, which i think is very accurate. I had been meaning to see her for a while, and was well worth the trek from north london on the tube. Was about 5 mins in a minicab from morden station.
