### The Premises:

Lovely establishment. Wish my flat looked like that. Clean, nice area.

### The Lady:

Well, let's just say I was very happy to see her in person, as faces are blurred on the website of this establishment. She is very petite, with a lovely face. I have to say when we got going and I got a glimpse of her naked, I thought "this can't be real". Perfect little body. If you like petite, slender women with lovely dark skin, she will do it for you!

### The Story:

I enjoyed myself immensely. Definitely wish I had stayed for longer with Priyanka, which most certainly isn't the general case with working girls and I. She made me feel very comfortable, then made me feel very, very good! Of course all services here are covered, which doesn't bother me; actually reassures me, but it should be mentioned for those who require OWO etc.

Priyanka is a new addition to this establishment from what I understand, and I hope she remains, as I will be coming back for seconds!
