The Premises:

Luxuriously furnished flat above a shop on a main road. The entrance is via a very exposed wrought iron stairway to the rear, in full view of an old peoples home, I'm sure the residents know what is going on!

The Lady:

Tall slim Spanish woman in her early thirties. Firm but curvy body, especially her bottom, about a 34b or c bust but with good size nipples which perked up quickly. Long blond hair. Pleasant and amorous nature

The Story:

Over the phone I was told that two girls were working, the other girl, Tanya was described as 36ee and with long dark hair. When I arrived Tanya was with another punter, so I rather disappointedly settled for Karen.

The session was good but not outstanding. Plenty of foreplay, but Karen said that certain areas requested for her attention would require more money.

We started the main course with Karen on top but her entrance was extremely dry and difficult to penetrate, she did not use any lubricant or want to help guide Mr Pecker in.

We then moved to one of my favourite positions, with Karen's bottom on the edge of the bed and her legs against my shoulders. After a short while I was penetrating her fully and feeling the creamy succulence of her pussy against Mr Pecker.

I came to a very gentle climax. Karen gently helped clean up Mr Pecker and left me plenty of time to dress.

On my way out I met Tanya and confirmed my opinion that I wish I had waited and seen her!
