The Premises:

Her flat was difficult to find. No where near Baker Street tube. Once inside place was clean, well kept. On main road, felt safe.

The Lady:

Same as web site maybe a little older but with good body, nice legs and ass. Enhanced breast but doc did a good job so no complain there.

The Story:

Was offered a drink and accepted. Didn't want to waste time so made a move on things but was asked to settle finance first. Outfit was nice and she is a smoker so the smell was a little unpleasant. Here is the worst part. No OWO, no kissing, nothing. I don't think her tongue will touch any part of your body unless it's covered. You can touch but no figure or DATY. Managed to get hard enough to start the action. Had one round but he lost interest towards the end. If you don't mind kissing or everything with then I think you may enjoy her. I will not return. PS she also work in affairgirls, admiralecorts and agencybarracuda.
