Marta has a very spacious apartment in a leafy superb of South Birmingham.

Quite an up market development.

Gated security makes it feel very safe to park & visit

The Lady:

She has the WOW factor indeed.

Most of her photos on her AW site are fairly new and very well done.

She is very good looking , has a very good figure (as you can see on her site), nicely enhanced breasts.

Dressed this time in a bikini with pull up stockings , that leaves not a lot to the imagination!

A real beauty !!!

The Story:

I have seen Marta several times now & I cant get enough of her.

For me its a round trip of c 200 miles but is very worth it , luckily I had a business meeting in Birmingham in the afternoon (though I was tired by the end of it)

Marta greeted me with warm embrace & kisses & led me to her Bedroom (she shares the appt with another Thai lady Aileen) Over the next 1.5 hours we shared some red wine & some nice chat(take a bottle of Jacobs Creek Shiraz or Cab Sauv)and did lots of things from her list.....

Lots of kissing / licking / sucking / fucking (as she puts it!!)

we did CIM at end of round 1 , I then came from vaginal sex at the end of round 2, & at my special request we tried & I mastered anal sex to complete round 3 (thank you again for that Marta)

She is fantastic @ oral , she will keep on sucking & working your knob till you have stopped cumming.

At penetrative sex she is so hot and really pushes you to go for it.

If you are a nervous newbie she will do a wonderfull GFE , if you want it hotter then its PSE -- no fake moans only words of encouragement.

Marta's English is improving all the time , but on the phone & if you talk fast or have an accent she

can sometimes struggle to understand. Be patient as she is well worth it.

I will be back again before April ends.
