The Premises:

This upstairs flat is above a parade of shops near the Greenwich Hotel between Maze Hill and Woolwich Dockyard. It is very clean inside.

The Lady:

Yoko is a tall, busty Thai lady around a size 12 with full C cup breasts. She is described as 1/2 Thai 1/2 Japanese but I would doubt that. That said she is very friendly and provides a professional service.

The Story:

This is a branch of Tickle massage in Eltham which is easier to access. The session with Yoko was very enjoyable and the massage to start the session was very relaxing. Yoko was not rushing me but the maid kept calling her name which was a bit off putting.

The session continued with uncovered o, but it was more licking than sucking, but nice all the same. I asked if I could come over Yoko's ample breasts and this was granted. It was a good climax and I felt very relaxed afterwards.
