The Story:

Soon got going and she does not mess around. Now sooner has we chatted for a few mins sorted things out and she was naked with her hands on my bits. That was followed by a mind blowing owo and lovely hand work to push to the edge of coming in the first 10 mins. Calmed things down and started again. Did some fucking and then back to owo and again her hands made all the difference. Back into mish and with my hands under her bum to give maximum penetrqtion I came quite soon with some vigorous shagging. A lovely sweet girl who definitely gave good VFM.
