The Premises:

A well appointed, clean and modern apartment in a very up-market area of London. Access was by entry-phone having booked. There was a young lady taking bookings and acting as 'maid' while a man supervised entry and exit. All very secure. Valuables were placed in a sealed envelope and guarded. Showers, towels, robes and changing facilities were all provided. Three bedrooms all clean and warm. A very comfortable, clean and welcoming environment. Drinks and food were provided.

The Lady:

This was a Monday, so-called MILF day. There were five girls working today: Carly, a slim brunette with a cheeky smile and very nice boobs; Carol, a blond in her forties with no inhibitions; Maxine, a tall pretty brunette with incredible boobs; and two Brazilian girls, Joanne a blond and Carmen a mixed race girl, both about 30. There were about ten guys so the ratio was 2 to 1.

The Story:

Although I have been with a very large number of working girls I had never been to a party but as I was in London for the day I decided the chance was too good to pass up. Sadly the party scene does not reach to Devon where I live. Indeed the whole south west beyond Bristol is a desert for the sex trade. There's a fortune waiting for anyone wanting to set up down there. As this was my first party I was a little apprehensive but before we began the girls met everyone and I was soon at ease. I began with Maxine who is about 6 feet tall with brown hair, fantastic boobs and come-to-bed eyes. She is also very well spoken which was a real turn-on. We started with oral (covered) and then moved to cowgirl while she gave oral to a second guy. Trying hard not to explode too soon I left Maxine with her new partner and moved on to Carly who was already servicing two other guys. Again we began with covered oral and then cowgirl which she performed while pulling off two other guys. Carol was on the bed next to Carly and was receiving the attentions of so many others that I decided to return to her later and moved to another room where Carmen and Joanne were working together. I started with covered oral with Carmen. She is a size 16 mixed race lady who kept a baby-doll nightie on throughout the party - the only girl not to get naked or near-naked. Then we moved to missionary sex while she pleased another guy with her hand. I left her to his attentions and

moved over to Joanne who is a pretty blond whose English is poor. I ended up giving her hand signals while she kept up a continual conversation with Carmen in Portuguese. But she was happy with reverse oral followed by missionary position which tipped her over into a gentle little orgasm, all clingy and whimpering. Nice. I returned to Carol to find her being rogered from behind and gasping with pleasure. Carol is a real find, a sexual athlete who really enjoys what she does - no-one could fake that much pleasure. She was taking on three or four guys at a time and offering a choice of covered or uncovered. Her mouth was free so I opted for uncovered oral finishing by coming down her throat at her suggestion. A little recovery time now so I returned to the lounge for a drink and some food until the old chap was ready again. This time it was reverse oral on Maxine until she came, then into a group orgy with Carly, Carol and about six guys. Carly and Carol snogged each other hard for a while then Carly move down to Carol's pussy which she licked while I rogered Carly from behind, coming for a second time. I finished with Carol as the party began to break up, bringing her off with my fingers which were rewarded by a flood from her fanny. Amazingly she said that was the only time she had come despite the vigorous rogering she had been receiving. Sometimes a little gentleness goes much further than sexual athletics don't you think. Two hours went by quickly and there were several other brief encounters which I won't describe or this will get too long. If you have not been to a part before, as I hadn't, it's a real eye-opener.
