The Premises:

The head office is clean and safe. The rooms are well decorated and The rear entrance is handy.

The Lady:

Mikaela is young with a great figure, long legs, and amazing arse and tits. All-over tan and fully shaved. Very young and attractive.

The Story:

This was a very bad punt. It all started OK. Mikaela entered the room in attractive underwear. After a very brief conversation, it was down to work. This was carried out with military precision. Michaela laid out her baby wipes, condom and KY gel in a row on the bed. Although I had just showered she insisted in giving my old man a thorough cleaning. Then an extremely quick OWO (?10 for approx 30 sec). I asked if reverse oral was available and she agreed (For an extra ?10) Very little response from her during any of this. After a couple of minutes I decided enough and on to the main event. On came the condom and out came the KY gel. I was given instructions not to push hard as the condom could break??.

Now I understand the importance of cleanliness and safe sex etc. but this was extreme and very off-putting. It was all over very quickly with no encouragement or response. Mikaela was in the room for no more than 12 minutes.

Some girls take a genuine pride in their work and want to please their clients. Others are only in it for what they can take. Sadly this is one establishment that I will not be returning to.
