Slender, shapely, long dark hair and very, very, very sexy.

The Story:

I hadn't been to this parlour in a long time - well over 12 months I'd guess - and I just happened to be passing, felt horny, so I thought I'd drop in. And I'm so glad I did ...

Alex was the only girl I was introduced to but from the moment I saw her I just knew I wouldn't be able to keep my hands off her - she is absolutely gorgeous.

My work doesn't take me to Manchester that often these days but when it does I'm going to make a point of seeing Alex - great covered oral, she loved having her kitty and bum licked and sucked and the sweetest tasting and tightest pussy I've come across in a long while. Shame about her not liking to kiss ... but I had plenty of other uses for my mouth anyway! Another girl not to miss at Samantha's!
