The Lady:

Official statement; Gender: Female; Orientation: Bi-sexual; Nationality: Russian; Age:21. First one correct, second unconfirmed, third a lie by a handful or more and lastly Latvian not Russian.

Pictures portray a tall, redhead size 8 but she is short, brunette size 14.

The Story:

Telephoned the agency a hour before the appointment to say I would have to reschedule for an hour later (17:00 to 18:00.)

17:35 one of two women asked me if I had seen their Yorkshire terrier that had gone missing (I had not) and then they confirmed that I was on the right road.

From 17:30 to 18:40 phoned numerous times left a voicemail and a message inquiring about the street number, just as about to enter the railway station agency phoned back with the number 'I thought I had sent it.'

Jezabel and her stable mate (Polish) blonde attractive (ish) and size 8 who was not to be seen again (thought about saying can I see her instead,) had returned from looking for Rupert.

Massages are usually abysmal but her technique and finger tip stroking was good.

The 3 day old beard that I had shaved hours before manifested itself again on the lower rung of her two piece black and white.

She started of congenial but that was short lived as 20 minutes in I had still not.

Rotation of 180%, and yet again jesus christ on a boat!

Asked and was told the maximum pop limit is one.

Hand relief, breast relief (my first time she has a B/C cup.)

She checked her white duvet for ricocheted traces of the article I spotted it but alas no that was some other blokes white crusty on her black pillow.

She has worked in a parlour and she has still the same mentality and working furniture of a parlour punt.

Available on the not infrequent aw no.

Jezabel, in myth Jehu ordered Jezebel's eunuchs to tossed her out of a window. After which she was eaten by dogs in the street only her skull, feet and hands remained.

The revenge of the Underground man is truly only a liberty.

'There is no more lively sensation than that of pain; its impressions are certain and dependable, they never deceive as may those of the pleasure women perpetually feign and almost never experience.'

Donatien Alphonse Fran?ois de Sade
