The Story:

Zoe LOVES her job, and goes at it like a ferret in a sack. She's up for any position, comes readily, kisses and gropes.

We didn't take long to mate, even though it was the first time we'd met. She had my cock erect in no time at all, climbed aboard, and was soon moaning fit to burst. We shared cowgirl and reverse CG, doggy, mish and a new position I introduced her to, in which she nearly mained the place down. Had her on the edge of the bed and over it. Then we climaxed together in final doggy. WHAT a shag.

A good girl, good value, and worth a visit. Haven't heard a bad word about her.
