### The Premises:

entrance rather dingy but not dirty. very warm in the building. simple decor. no frills. clean smelling. room simple and very basic. could maybe do with a face lift. beds not the most comfortable

### The Lady:

around 5ft 7in in height. would guess around a 38d and a size 12-14 on the waist. a more curvy lady but all the curves in the right places. what a glorious booty!! long dark brown hair and the most welcoming sexy green eyes. lovely all over body tan. must be around 30 yrs old

### The Story:

roxanne was the first of the 3 ladies to introduce. immediately put me at ease by approaching me, shaking my hand and kissing me on the cheek giving a little cheeky booty shake as she left. the next two came to introduce but to be honest they shouldnt have bothered.they were very stand offish. choice made. i was given the most sexual all over body to body massage i have had to date. was relieved when she told me to turn over as my cock could not take the strain! Bam those eyes, direct eye contact, as she took every last inch of me right to the back of her throat. i have to say gents that in 9 yrs of parlour visits, i have never had my cock sucked with such style! and talk about pelvic floor muscles, this hottie knows what to do with them. this girl is definately highly recommended. hot and horny without being trashy.wow.
