The Premises:

Discrete flat in quiet road off main road in Earls Court. Safe enough, even I think at night.

The Lady:

Loved her eyes (honest) on the AW site. Quite petite, slim Russian lass. Small titties, but lovely, lovely smile and very friendly from the start.

The Story:

Took a bit of a punt on this (if you excuse the pun), saw on AW and some good field reports, nice sunny day, just been paid...what else? Offered a drink and shower on arrival. Sorted out admin and then (after pre-arranging on the telephone) Vicky started on some lovely OWO. Moved on for oral on her then the main event, shortened by my excitement. Then nice chat about Russia and Italy (I have a smattering of the later), then a massage for me, I just felt so enamored by her that I didnt go for seconds. Not a PSE, closer to a GFE, but left with a big grin on my face, chaps-good value for a surpisingly lovely young eastern European when there are so many bad ones out there. As the yanks would say " Good job" Spasibo Vicky. Recommended.
